### **Expander Energy Announces Board of Directors**

**Calgary, Alberta, Canada**—James Ross, CEO of Expander Energy Inc. is pleased to announce its expanded board of directors.

Three officers of the company including Mr. Ross, Expander President, Steve Price and Expander founder Anthony Lee serve as directors.

Additionally, the board includes Nick Lenstra, P.Eng., Peter Ffoulkes Jones, P.Eng., and John Mcleod, P. Eng.. David Prasow, QC serves as the corporate secretary. (to see the biographies of all the board members [click here](#)).

"As we continue to develop our very ambitious plan of building the world's largest biomass to liquids biorefinery in the Edmonton-Calgary corridor, we will be counting heavily on the extensive professional knowledge and experience of our board members in all aspects of the energy industry." said Mr. Ross.

Expander Energy Inc. (Expander) is a privately held energy company focused on the production of Engineered Synthetic Fuels from renewable and low carbon resources. The production design capacity of Expander's BTL facility will be 318,000 litres per day (2000 bpd) of Fischer-Tropsch diesel which triples the output of the company's original design.
