EXPANDER ENERGY INC. APPOINTS LARRY HAGGAR TO BOARD OF DIRECTORS.

Calgary, AB.- Mr. James Ross, CEO of Expander Energy Inc., is pleased to announce the appointment of Mr. Larry Haggar as a director of the corporation.

Mr. Haggar, P.Eng., has a distinguished 40 year career in engineering design, supervision and project management in the oil sands, oil and gas production and transportation, natural gas processing and petrochemical industries. Mr. Haggar's experience includes 10 years of overseas work in United Kingdom, Dubai, the Netherlands, Italy, Egypt and Abu Dhabi. Mr. Haggar was a partner with Colt Engineering for over 20 years.

"Mr. Haggar is a highly respected engineer in the energy and heavy oil industry" stated Mr. Ross, "his technical experience and wealth of knowledge in corporate governance will be extremely beneficial in helping to bring our patented Fischer-Tropsch technologies, EFT™ and FTCrude™, to market."

Mr. Nick Lenstra, has regrettably resigned from our board due to time restraints. We wish Mr. Lenstra all the best in his new venture and thank him greatly for his advice and guidance as a member of Expander Energy's board over the past years.
